**REGION 8 AIR PROGRAM IS PLANNING TO BRIEF THE OFFICE OF
MANAGEMENT AND BUDGET (OMB) ON THE PROPOSED**

RESERVATION—SPECIFIC RULEMAKING IN THE UINTA BASIN: Before Jan. 22, 2016, Carl Daly and Deirdre Rothery will brief OMB on the proposed rulemaking to achieve VOC emission reductions at existing oil and gas sources located in Indian country. The Uintah & Ouray Federal Implementation Plan was listed as a Tier 3 action and we submitted a justification for non-significance. However, OMB has discretion to review any action. In the likely event that OMB wants to review the draft proposed rule, we will send it to OMB before submitting it through the Office of Air and Radiation to the Office of Policy. *Information only; no action required by the RA/DRA.* **Contact: Deirdre Rothery, 312-6431 or Jody Ostendorf, 312-7814**
